Adrian Stuart, Town Clerk

4th September, 2013

Dear Sir or Madam,

A MEETING of the MANAGEMENT COMMITTEE will be held in the COUNCIL CHAMBER, MUNICIPAL BUILDINGS, DORCHESTER on TUESDAY, 10th SEPTEMBER, 2013 commencing at 7.00pm.

I hope that it will be convenient for you to attend.

Yours faithfully,

Town Clerk

Public Rights to Speak

If any member of the public wishes to speak at this meeting they may be allowed to do so at the discretion of the Chair. It would be helpful if anyone who wishes to address the Committee made their desire known to the Chair before the meeting starts: anyone allowed to speak will be expected to confine their comments to the matter in hand and to be as brief as is reasonably possible.

Member Code of Conduct: Declaration of Interests

Members are reminded that it is their responsibility to disclose pecuniary or non-pecuniary interests where appropriate.

A Member who declares a pecuniary interest must leave the room unless a suitable dispensation has been granted.

A Member who declares a non-pecuniary interest may take part in the meeting and vote.

DORCHESTER TOWN COUNCIL

BOROUGH GARDENS PANEL

31st JULY, 2013

At a Meeting of the Borough Gardens Panel held on 31st July, 2013:

PRESENT Councillors K.E. Armitage, R.B. Potter and D. Taylor.

In attendance:

Mrs. F. McLaren, Friends of the Borough Gardens.

APOLOGIES for absence were received from The Mayor (Councillor E.S. Jones) and Councillor A.J. Canning.

1. **FRIENDS OF THE BOROUGH GARDENS**

The representative from the Friends of the Borough Gardens informed Members of the following matters:-

- That some weekend entertainers were leaving their vehicles by the Bandstand whilst performing rather than moving their vehicles out of the way.
- That on occasions the Bandstand had not been opened in readiness for weekend performers.
- That the number of deckchairs available for use had reduced significantly and that there was no notice letting people know that they could help themselves to them.

2. **ANTI-SOCIAL BEHAVIOUR – BOROUGH GARDENS**

The Panel considered a report prepared by Dorset Police on measures that could be taken to help reduce incidents of anti-social and reckless behaviour in the Borough Gardens. Members were also circulated with a report by the Deputy Town Clerk which summarised the Police report and included some additional suggestions previously proposed by Members.

Members stressed that staff safety was paramount and the Operations Supervisor confirmed that staff had been instructed to call the Police whenever they felt uncomfortable with a situation.

The Panel noted that there had been considerable help and support from the Police during the recent spike in activity in the Gardens. The Police were continuing to support and being proactive with regular patrols in the Gardens.

Following consideration of the various options Members felt that the following package of measures should be pursued:-

- That staff continue to report all incidents to the Police and complete an internal log regarding incidents which would be reviewed regularly by the Management Committee / Borough Gardens Panel.
- That the Council proceed with a comprehensive review for the bowling green end of the Gardens so as to increase the amount of human intervention / presence at that end of the Gardens.
- That the Council provide radios and join the Dorchester shopwatch scheme as soon as possible.
- That a review of Byelaws be carried out to include a new Byelaw so as to enable people to be asked to stop playing ball games if they were preventing people using an area of the Gardens, the ball games were dangerous or annoying other users and also if the ball games were causing damage to shrubs or flowerbeds.
- That three picnic tables be installed into sockets so they could be removed as necessary into the grass bowl area of the Gardens. The picnic tables to be of a similar style to other picnic tables in the Gardens.
- That the planting between the tennis courts and the bowling green, particularly on the eastern side, be opened up by reducing the amount/height of some of the planting with the aim of increasing visibility to that end of the Gardens.
- The Panel wished to support staff in the actions that may need to be taken when incidents occurred. Any action to be reported back to the Chairmen and Vice-Chairmen of the Management Committee and Borough Gardens Panel.

The Panel also agreed that the bowling green should be opened up so as to enable putting to be played, initially between 2.00pm to 6.00pm with a view to opening fully as soon as possible.

In accordance with Standing Order 50 it was

RESOLVED

That the Council provide radios and join the Dorchester shopwatch scheme as soon as possible.

It was also

RECOMMENDED

- (1) That the package of measures set out above be agreed.
- (2) That Dorset Police be thanked for their considerable past and ongoing help and support in helping resolving this matter.

DORCHESTER TOWN COUNCIL

PROPERTY MANAGEMENT AND MAINTENANCE PANEL

28th AUGUST, 2013

At a Site Meeting of the Property Management and Maintenance Panel held at The Municipal Buildings, Fordington Cemetery, Louds Mill Depot, Sandringham Sports Centre, Weymouth Avenue Pavilion, Weymouth Avenue Cemetery and Poundbury Cemetery on 28th August, 2013:

PRESENT Councillors A.J. Lyall (Chairman) and D.S. Roberts.

APOLOGIES for absence were received from The Mayor (Councillor E.S. Jones) and Councillors C.S. Biggs, S.C. Hosford and F.E. Kent-Ledger.

1. **THE MUNICIPAL BUILDINGS**

The Panel carried out an inspection of the Buildings and the following matters were identified:

- Investigations should be made into using microporous paint on the sound absorbent covering at the back of the Corn Exchange and advice sought from the operator of the Royal Albert Hall which used a similar system.
- Investigations should be made into what was causing the damp on the external North Square wall to the Corn Exchange (it was considered that the built up bench area outside was the most likely reason).
- The bar area could benefit from some appropriate pictures/mirrors etc being erected.
- The curtains in the Magistrates Room were reaching the end of their natural life and quotes should be obtained for replacing them with vertical blinds.
- Consideration should be given to changing the colour scheme in the Magistrates Room.
- Draft excluder to be placed at the bottom of the main entrance doors to the Buildings.
- The entrance carpet should be replaced when funds allowed – the carpet to match the rest of the downstairs carpet and have a different colour edging strip as at present.

It was

RECOMMENDED

That attention be given to those matters identified above.

2. **FORDINGTON CEMETERY**

The Panel inspected the Cemetery and were pleased with its overall condition.

Members also considered a report by the Compliance Manager on the possible need to undertake some work to the boundary wall. The Panel felt a letter should be sent to the landowners asking permission to gain access to inspect the wall in order that a report could be presented to Management Committee on any significant work that required to be undertaken. It was suggested that the clearance of the wall and ongoing maintenance might be something that the Waitrose Community Volunteers would be interested in helping with.

It was

RECOMMENDED

That access be gained to inspect the boundary wall and a report on the outcome be presented to a future meeting of the Management Committee.

3. **LOUDS MILL DEPOT AND SANDRINGHAM SPORTS CENTRE**

The Panel inspected Louds Mill Depot and Sandringham Sports Centre and were pleased with their overall condition.

4. **WEYMOUTH AVENUE PAVILION**

The Panel inspected the Pavilion and identified the following matters which needed attention:-

- The toilet light switches needed to be changed to either pull cord, automatic or located on the outside wall.
- There was a cracked paving slab at the entrance to the changing rooms that needed replacing.

It was

RECOMMENDED

That attention be given to those matters identified above.

5. **WEYMOUTH AVENUE CEMETERY**

The Panel was informed of the actions that had been taken since the site visit held last year and then went on to inspect the Cemetery.

The following matters were identified:

- The ashes pit would benefit from being heightened by one brick course.
- The brambles needed removing from the shrubs near to the ashes pit.

It was also noted that there was sufficient room near to the eastern boundary wall for a number of additional ashes plots. Members felt that this would be appropriate subject to a plan being provided to show the exact location and distance from the wall.

It was

RECOMMENDED

- (1) That attention be given to those matters identified above.
- (2) That additional ashes plots be provided near to the eastern boundary wall subject to a plan being provided clearly identifying the proposed area.

6. **POUNDBURY CEMETERY**

Members were informed of the actions that had been taken since the site visit held last year and then went on to inspect the Cemetery.

The following matters were identified:

- The storage area wall needed rendering in some areas using the appropriate lime mortar.
- The paving slabs leading to the ashes pit needed re-pointing.

It was

RECOMMENDED

That attention be given to those matters identified above.

DORCHESTER TOWN COUNCIL

GRANTS PANEL

28th AUGUST, 2013

At a Meeting of the Grants Panel held on 28th August, 2013:

PRESENT C.S. Biggs (Chairman) and P.G. Mann.

APOLOGIES for absence were received from The Mayor (Councillor E.S. Jones) and M.E. Rennie and F.E. Kent-Ledger.

1. **APPLICATIONS FOR FINANCIAL ASSISTANCE**

The Panel considered grant applications which had been received and it was

RECOMMENDED

- (1) That the application from Victim Support Dorset be not approved.
- (2) That the application from the One World Organising Committee be approved in the sum of £500.

(During discussion of this application it was noted that West Dorset District Council charged for use of its Action Van. The Panel felt that this was totally inappropriate given that Council's responsibility for promoting the multi-cultural network and that any future grant would be considered against the District Council's contribution to the event.)

- (3) That the application from the Dorchester Youth Theatre be approved in the sum of £475.

(During discussion of this matter Members felt that it would be useful for the Youth Theatre to encourage drama to as many young people as possible by making it attractive to first and middle school children.)

- (4) That the application from the Dorchester and District Gardening Club be approved in the sum of £100.
- (5) That the application from the Volunteer Centre Dorset be approved in the sum of £150 in respect of the Young Volunteer of the Year award.

DORCHESTER TOWN COUNCIL

MANAGEMENT COMMITTEE – 10th SEPTEMBER, 2013

DECKCHAIRS

1. Members will be aware that some years ago the Council purchased a number of second hand deckchairs for use in the Gardens and Maumbury Rings when events were being held over the summer.
2. Each year a number of deckchairs are broken beyond repair and this summer the remaining deckchairs have suffered to such an extent that there is now less than ten in working order. The main issue is that the deckchairs were so old that the wooden frames became very brittle and unrepairable.
3. The deckchairs are very much appreciated at events throughout the summer and Members are asked to consider whether or not they wish to continue providing them in future.
4. If Members do wish to continue providing them then the cost for 100 new deckchairs will be in the region of £2,900. This purchase could be made from within existing resources from the Parks Reserve Funds.

Durnovaria Silver Band History

by Musical Director, Elizabeth A Carter BA (Hons)

1.1 The Durnovaria Silver Band (Dorchester) (DSB), was founded by Edwin Otter in 1936. It began as a brass quartet, with Edwin playing cornet, his wife Kay the tenor horn, Eric Symes and Harold Hawker. It grew over the years and was one of the few bands to keep playing through the war years, offering a playing opportunity for servicemen billeted in Dorchester.

1.2. Over the years the Band has thrived. We have taken part in many contests, locally and nationally, sometimes with great success, as recently as about 10 years ago. Since Edwin Otter died in the early 1980s, still as Conductor, there have been just five Musical Directors.

1.3. DSB today is a community concert brass band with a current membership of over 30 players aged from 12 years to 75 plus. We also have a training section, offering free tuition and instrument loan to anyone from the age of 8yrs., where players are tutored to a level of ability suitable for joining the main band and eventual participation in engagements. We meet regularly on Tuesday afternoons from 2 to 4pm, and Friday evenings, with training starting at 6pm and main band practice from 7.30 until 9.30pm, all year round.

1.4. Our principal aims are to provide: an avenue for amateur 'hobby' brass musicians to perform music together; entertainment of a typically British nature for the public; education in brass musicianship to the highest level; support to the Town Council at civic events; and promotion of the Brass Band movement. Music in education is a useful discipline for developing life skills for children. They learn to work as a team, gain self confidence and self discipline, and improve their reading skills and ability to concentrate. A few members of DSB have gone on to music colleges and to professional careers in music.

1.5. DSB was largely responsible for the town's twinning with the German town of Lübbecke. A strong relationship with the Schützen-Musik-Corps Lübbecke, which predates the twinning in 1973, has been maintained over the years, and regular exchanges continue to feature in our annual programme. As recently as this August, the Band travelled to Lübbecke for a long weekend, partly in celebration of the 40th Anniversary of the Twinning of the two towns.

1.6. We play a wide variety of music from all genres including: classical, opera, ballet, folk, ballad, blues, jazz, pop, traditional, film and TV themes, providing something for everybody. DSB has a very busy programme performing regularly throughout the year at local fetes, street fairs, on the town's bandstand, and in South Street, during the summer and for carols at Christmas; in Abbotsbury Gardens, for charitable and Civic events such as Armed Forces Day, Battle of Britain Anniversary and Remembrance Day. We have also played for Mayor making, and supported the Town Council for the Dorchester Carnival, the Thomas Hardy Birthday and Trafalgar celebrations. More formal concerts are performed, organised both by ourselves and others, such as for the Rotary Prom; and at Christmas we collect for the Mayor's fund. We have also been engaged for private anniversaries, weddings and funerals. DSB has the distinction of having played as a backing band for Dame Vera Lynn in the 1980s and was the first British band to perform in Berlin after the Second World War.

1.7. The Durnovaria Silver Band has a long, worthy history and today remains a strong organisation, providing brass education and entertainment throughout Dorset, and for the particular benefit of the Dorchester community.

The Band's Home

2.1. A Band needs a home! It needs somewhere dry and warm to meet for rehearsals, train new players and hold committee meetings; where valuable instruments can be stored securely. Music stands, a music library (now in excess of 800 titles), spare uniforms, chairs and all the other paraphernalia required for a brass band to function, require much storage space.

2.2. Since 1936, when the Durnovaria Silver Band (Dorchester) (DSB) began, it has had many 'homes' in Dorchester, including six in the last 35 years. Premises in and around Dorchester, that fulfil the Band's minimum requirements are hard to find. They mostly offer a space to rehearse, frequently on the small side, but provide little or no storage facility. This makes it very difficult for a brass band to function effectively. It needs a lot of floor space. Being a Community Band there is no restriction on membership. All are made welcome and there are currently in excess of 30 members. One of the most suitable venues that the Band has been able to use has been the former Fordington Methodist Church. It was based here from 1986 until about 1995, and again from 2005 until the Church was closed in November 2012. For much of the time between these periods the Band lived in Dorchester's Salvation Army Hall.

2.3 Over time, a brass band can accumulate a vast amount of memorabilia. From its 77 year history the DSB is no exception. Now tucked away in boxes and cupboards, are gifts from Dorchester's twin towns of Lübbecke in Germany, and Bayeux in France, plus gifts from the Band's partnership band, the Schützen-Musik-Corps Lübbecke, as well as trophies and bannerettes won at contests in the past. With historical and current photographs of the DSB; the Band Founder's cornet mounted in a display case; it represents quite a collection, evidence of the history, not just of the Durnovaria Silver Band, but of Dorchester itself.

2.4. When the Fordington Methodist Church closed, the Band was obliged to seek new premises. It was fortunate to obtain the use of the Scout Hut in Lübbecke Way, Dorchester. It has at least enabled the Band to continue to meet, and has afforded it some limited storage. However, it provides only just sufficient rehearsal space, and really inadequate heating for the winter months. The Band endured one (mild) winter there, but it is unlikely to be able to endure another, particularly considering that several Band members are 'not as young as they were'.

2.5. In due course, the (former) Fordington Methodist Church was put up for sale, and the Durnovaria Silver Band took the unusual step of investigating whether it might be able to buy it – for a permanent home! It launched an appeal amongst its members and friends, and began investigating possible sources of funds, whether by way of grants or loans. At the same time, although already a registered Charity (No. 1073095), it resolved to incorporate itself as a Company Limited by Guarantee, as being a more appropriate vehicle for buying the premises, and managing the business to which it thought this might lead.

3

Fordington Methodist Church

3.1 The Church was built, perhaps a hundred years ago. It is brick built with a slated roof. It has two main rooms – the former Chapel (11.3m by 7.9m) and a hall (8.1m by 6.4m). The latter's dimensions exclude a small stage (4.0m by 2.2m) at one end. A smaller meeting room (7.0m by 4.6m) completes the principal areas. When it was a tenant, the Band practised in the hall part, with small tuition groups using the meeting room.

3.2 Although the DSB never used it as such, it is estimated that the Chapel could be used for small concerts, with room for seating about 75. The Band did, however, use it for some sound recordings, and considered its acoustic properties to be first class.

3.3. It also has a small kitchen and two toilets, one with disabled access. There are several storage areas, including under the stage, and an outhouse (2.4m by 2.2m), former boiler room – or privy? There is also attic space, which the band has not explored.

3.5 The heating is all electric, and adequate. In the Chapel, there are tubular heaters fixed on walls, as well as under the remaining pews; there are power points for high wall mounted heaters in the Hall, and lower wall points in both the Hall and Meeting Room. The premises have been on a White Meter tariff, but no storage heaters have been employed.

3.6 If the DSB succeeds in acquiring these premises it would anticipate continuing to use it for practice on one evening a week, using all three rooms, and also on one afternoon (of a different day), using perhaps just one.

3.7 It is the ambition of the Durnovaria Silver Band that the former Methodist Church should become a hall – not just for the use of The Durnovaria Silver Band – but for other groups to use for practice and generally presenting their work to the public, e.g. via concerts from musical interests, exhibitions by art clubs. The Band is now intent on engaging with other groups, of a similar inclination, so that the Hall's facilities may be more fully utilized.

Future Use of the Durnovaria Band Hall

4.1 The former Fordington Methodist Church building comprises two large rooms and a smaller room. It is already equipped with a disabled access and toilet facilities and has a small kitchen. There is also a small stage and secure spaces suitable for storage of the band's library, instruments and other effects. It is not only an ideal venue for the Durnovaria Silver Band's immediate purposes of rehearsal rooms and storage facilities, but will enable it to open its doors to other local groups who similarly require somewhere to meet and store their equipment.

4.2 Having this building will allow the Band to expand on its current musical activities. It will, for example, provide it with the opportunity to hold musical master classes for the benefit of all brass musicians in the area. The former Church room or Chapel will make an ideal, if modestly-sized, concert venue, enabling the Band, and other groups, to entertain the public at moderate cost.

4.3 It will also afford the Band, and others, the facility to run fundraising events, such as table top sales, coffee mornings and the like.

4.4 Several community groups have already expressed interest in using the building. The Dorchester Art Club has provided a Letter of Intent, stating they would like to use the facilities offered to hold their art classes and exhibitions, and also hold their committee meetings there. A Line Dance Club, Colour Strings, a Recorder group and The Dorchester Community Orchestra have all expressed interest. The Hall has, in the past, been used as a Polling Station. It is envisaged the building might also be offered for, small, private functions.

4.5 The Band has also been offered a piano. This might attract small dance groups and, indeed, a ballet class used to be held in the former Church hall. The piano, if of acceptable quality, would be of value for choral groups; could facilitate private piano lessons, as well as being available for concerts. It could also aid in preparing musicians for taking graded music exams.

4.6 It is hoped that this lovely old building, full of its own history, will become the Durnovaria Band Hall, for the use and benefit of the Community of Dorchester, at large.

Management of the Durnovaria Band Hall

5.1 The Durnovaria Silver Band is an unincorporated Registered Charity (No. 1073095). Action is currently underway towards incorporating as a Company Limited by Guarantee, for the purposes of acquiring and managing the former Fordington Methodist Church as The Durnovaria Band Hall.

5.2 The Company, Durnovaria Silver Band Trust Limited, will be incorporated initially with the Charity Commission's Model Articles. The Band Hall will be owned by Durnovaria Silver Band Trust Limited.

5.3 The company will be administered by a "Council of Management", comprised of at least seven directors, who will be elected by the members of the Company. The Company may initially be limited to forty members, but that number can be increased by the Council of Management.

5.4 Under the power of delegation contained in the Articles, three separate committees will be created with powers delegated by the Council of Management to those committees for specific tasks and duties. The three committees will be:

- **Band Management Committee;**
- **Finance Committee;**
- **Hall Management Committee.**

5.5 Each Committee will have a minimum of two directors from the Council of Management and such other persons as the Council of Management may decide. The Band Management Committee will deal with the management and administration of the band itself. The Finance Committee will deal with all financial aspects of the Company, including any rental and/or maintenance of the property (The Durnovaria Band Hall). The Hall Management Committee will deal with the upkeep, letting and running of the property.

5.6 Each of the committees will report to the Council of Management, and any other duties not dealt with by the committees will be dealt with by the Council of Management.

Finance I: Purchase of the former Fordington Methodist Church

6.1 Purchasing Considerations

The intention is to purchase the property outright, with the assistance of donations and loans from Durnovaria Silver Band Members and friends. It is also intended to apply to various local authorities for substantial assistance in the form of grants and/or loans, in support of which this Business Plan has been prepared.

6.2 Purchase Costs

Purchase price of former Fordington Methodist Church	£125,000
Anticipated associated legal and other fees	£6,000
Anticipated initial repair/refurbishment costs	£6,000
TOTAL	£137,000

Note: The Band has sought the advice of a retired professional building contractor on the condition of the building and any necessary repairs following a successful purchase. From a visual inspection, he advised that the building was in a sound condition and fit for purpose, aside from a minor rising damp problem to one wall which would require addressing. A local building contractor has since given a 'Without prejudice' quotation of £5,000 (plus VAT) for this work, which is attached to this Plan.

6.3 Purchase Funding

Donations received	£45,000
Interest free Loans received	£15,000
West Dorset DC Grant promised	£5,000
Dorchester Town Council Grant to be applied for	£5,000
Dorchester Community Fund Grant to be applied for	£5,000
Total of Money Banked, plus Grants under consideration	£75,000

Balance required through additional Donations/Grants/Loans £62,000

TOTAL	£137,000
--------------	-----------------

Note: An application is to be made to Arts Council England, for Grant Aid. Dependent on the success of this, it is further intended to make application to West Dorset District Council for long term Loan Funding. Preliminary discussions towards this possibility have already taken place.

Finance II: Predicted Running Costs of the Durnovaria Band Hall

7.1 A budgetary forecast for the running of the Hall has been drawn up for the first three years of operation. To aid in this, the latest accounts of two local village halls have been studied closely.

7.2 Forecast Expenditure for Years 1 to 3

The following table lists the major expenses that have been addressed. The aim has been to break even for the first year, with a small surplus for the two years following. In fact the business is likely to show an appreciable surplus at the end of the first year, due to anticipated Gift Aid tax relief, which has not been included in the purchasing arrangements.

	Year 1	Year 2	Year 3	Note
EXPENDITURE	£	£	£	
Business Rates	0	0	0	1
Insurances	700	750	800	2
Maintenance	1,000	1,200	1,500	3
Utilities	1,200	1,500	1,800	4
Cleaning	500	500	500	5
DSB Expenses	1,600	1,750	1,900	6
<i>Loan repayments</i>	<i>5,000</i>	<i>4,900</i>	<i>4,800</i>	7
Total	10,000	10,600	11,300	

Note 1. It is hoped that rates will not be payable, due to 80% charitable relief, and a discretionary (small business) 20% relief from WDDC.

Note 2. The Year 1 figure represents the current insurance cost of the DSB equipments and an estimate for cover of the hall alone. It is supported by the insurance costs for two village halls.

Note 3. This is impossible to forecast accurately, but the two village halls consulted reported maintenance costs for 2012 of £2,072 and £48, respectively. It is to be expected that this item will increase year - on - year.

Note 4. The current cost of electricity for DSB's usage, alone would be less than £300 pa. A quotation for water and sewage, assuming low usage, has been obtained of less than £150, from Wessex Water. The figure quoted assumes usage of the hall for a total of just 15 hours per week, including six by DSB.

Note 5. If DSB was the sole occupant, the cleaning cost would be zero. A fixed cost of £500 is included for materials and contingencies. The sum for the two village halls was £850. (£120 and £730, respectively)

Note 6. DSB ordinary expenses amounted to £1,600 for 2012, and are not expected to increase substantially for the next few years.

Note 7. At this stage, it is anticipated that a substantial loan will be required, ideally from a local authority. For a 20 year loan of £50,000 @ 5%, it is expected that the payments of capital and interest in Years 1, 2 & 3 would be £5,000, £4,872 and £4,744, respectively. (This assumes capital is repaid at a uniform monthly rate, and interest paid annually in arrears.) For a loan of £30,000, the corresponding payments in Years 1, 2 & 3 would be £3,000, £2,923 and £2,847, respectively. Any surplus will be used to repay the (undated) interest free loans obtained from DSB Members and friends.

Finance III: Basis Income Account and Predicted Cash Flow

8.1 Forecast Income for Years 1 to 3

The basis here is the 2012 Accounts of the Durnovaria Silver Band, taking only routine items. It is assumed that these will continue unchanged for the first three years of operation – a conservative approach.

8.2 The following table presents the principal items of income. These relate directly to the audited accounts of the Durnovaria Silver Band for the year ended 28th February 2013. In addition, an allowance is made for the anticipated rental income from other users.

	Year 1	Year 2	Year 3	Note
INCOME	£	£	£	
DSB Engagements Fees	2,500	2,500	2,500	1
DSB Engagements Collections	1,200	1,200	1,200	2
DSB Subscriptions	400	400	400	3
DSB Attendance Donations	1,000	1,000	1,000	4
Gift Aid Tax Relief	7,000	200	200	5
Non DSB Group Hire	3,000	5,000	6,000	6
Total	15,100	10,300	11,300	

Note 1. Engagement Fees for 2012/13 for DSB were £2552

Note 2. Collections at DSB events during 2012/13 amounted to £1130

Note 3. DSB Membership subscriptions received for 2012 were £235, but have since been increased from £10 to £15 per adult member. Membership is approximately 30.

Note 4. At the last AGM, the decision was taken to introduce a voluntary 'Attendance' donation of £1 per practice. This has been receiving a high level of support.

Note 5. A major proportion of the donations already received will be Gift Aided. A conservative figure of £28,000 is assumed here. (Declarations completed and signed.) This will give rise to a (one-off) tax relief of £7,000. Additionally, most of the Attendance Donations will be Gift Aided; £200 pa, from Year 2, is assumed here.

Note 6. As of the date of this Business Plan, a firm Letter of Intent has been received from the Dorchester Art Club. This currently pays approximately £2,500 per year for the use of its current facilities. It is not envisaged that DSB Trust Limited would seek to undercut this significantly. Expressions of interest have been received by a number of other groups. Group Hire rental is based on a figure of £10 per hour.

8.3 The above figures have been based on a very conservative estimate of take-up by other groups, increasing from 6 hours per week in Year 1 to 12 by Year 3. The potential, assuming just one of the Chapel or Hall is used at any one time, is for more than double this last figure. By Year 4, it is anticipated that items of more major maintenance will begin to be required, as well as possible improvements to the property.

8.4 Predicted Cash Flow

The Total bank balances of the Durnovaria Silver Band at 28th February 2013 amounted to £7,205. Assuming a neutral 2013, and that the purchase costs of £137,000 are covered, the predicted cash flow forecast for the first three years, if £2,000 is allocated to the Company on Incorporation, is:

	Year 1	Year 2	Year 3
	£	£	£
Starting Balance	2,000	7,100	6,800
Excess of Income over Expenditure	5,100	(300)	- - - -
Year end Balance	7,100	6,800	6,800

Durnovaria Silver Band in Lùbbecke Town Centre - August 2013

Risk Assessments

9.1 Time

The principal risk, at this time, is not having enough time to complete the purchase of the former Fordington Methodist Church, to the vendor's desired timetable, even if the required funding is achieved. This is dependent on the results of applications for grant aid, and these may not be made known for some months. With this in mind, the vendor has been asked to accept half of the agreed price 'now' in return for waiting some months for the balance. If all applications for grant funding are successful, the purchase could be completed as soon as these monies are received. On the other hand, if the vendor proves to be totally intransigent, it is hard to see how these endeavours can continue. This Business Plan, (as is the remainder of this Risk Assessment), is written on the assumption that the vendor is prepared to grant more time before completion.

9.2 Funding for Purchase

This project depends for its viability on:

- (a) funding being in place, when required, to complete the purchase of the former Fordington Methodist Church to become the Durnovaria Band Hall;
- (b) an assured regular income, to be able to maintain the Durnovaria Band Hall as a robust business.

9.3 £125,000 is required to buy the Church, £ 6,000 to cover anticipated legal fees of purchase and Incorporation and £6,000 to carry out some repair work. Of this £137,000 total, approximately £60,000 in donations and loans has been received already. One grant for £5,000 has been promised. Two further local authority grants, each for £5,000, are currently being applied for. The risk of both of these applications being rejected is regarded as **Low**.

9.4 A Pre-Application was made to Arts Council England, for permission to apply for a grant of the remaining £62,000. The risk that this would be turned down was originally assessed at **Medium** to **High**. Permission to apply has now been refused, but DSB has been invited to submit a revised application. It is expected that a second attempt will be made, but towards a reduced grant of £32,000. The risk that this too will be turned down is assessed as **Medium**.

9.5 A fallback position, in anticipation of the application to Arts Council England failing to bear fruit, has always been to apply to a local authority for long term loan funding. Discussions have already taken place with council officials on this possibility. The risk of such an application failing, providing an ability to service the loan can be demonstrated, is assessed as **Low**. The intention is to apply for a loan of £30,000, with a request for permission to apply for up to a further £20,000, should the revised grant application (9.4) fail completely.

9.6 Annual Budget

The Business Plan needs to demonstrate that, going forward, the business will generate sufficient income to manage the hall, including its routine running costs, maintenance, etc., and periodic refurbishment. In addition, as the purchase will be, in part, loan funded, the income must be capable of servicing these loans. If forced to resort to a commercial loan, the annual cost could be significant.

9.7 The business will be heavily dependent on being able to hire out its generous space, of three principal rooms, plus some storage space, to other groups. The Band is in receipt of a Letter of Intent from the Dorchester Art Club (attached to this Business Plan), and has been in discussions with a small number of other interested parties. It is felt that interest will grow, once the premises

have been bought and are in use. Nevertheless, it must be expected that the Hall will not achieve a high level of occupancy at first.

9.8 The risk, that there will be no users, other than the Durnovaria Silver Band, in the first year is put at **Low**. The risk that the rental income during the second year is insufficient to avoid the Band having to dig into its reserves to, e.g., ensure the loans are serviced, is also put at **Low**. The risk that Total Income does not exceed the Total Expenditure by the end of third year is put at **Low**.

DSB Musical Director, Elizabeth Carter, conducts a combined band of Lübbecke and Dorchester musicians at an informal entertainment for the benefit of visitors from TiszaKécske, (Lubbecke's Twin Town of Hungary), on the occasion of the 25th Anniversary of its Twinning, playing "Home Away from Home" – Soloist: Anne Stone (DSB Principal Cornet)

Concluding Remarks

10.1 For 77 years, the Durnovaria Silver Band has been an integral part of the Dorchester scene, providing music and general support for the community. In all this time it has never had a permanent home, relying on the generosity of a range of landlords to provide premises for it to practise and keep its, quite valuable, equipment. In common with many provincial art and music groups it has laboured under a perpetual cloud of not knowing, from one year to the next, whether it would still have a place from which to operate.

10.2 Now the misfortune of a Church, feeling obliged to close down, has serendipitously presented the Band with the opportunity of procuring, as a permanent base, the premises that it had previously occupied for 17 of those years.

10.3 Although the Band has been able to secure financial support from its members and friends, sufficient for half of the asking price, it needs significant additional funding to make its dream come true.

10.4 In return, the Durnovaria Silver Band intends to create a new centre – the Durnovaria Band Hall – for the benefit of any other like minded arts groups in Dorchester – and to maintain and expand its services to the community of Dorchester.

DORCHESTER TOWN COUNCIL

MANAGEMENT COMMITTEE – 10th SEPTEMBER, 2013

OUTDOOR EVENTS - PA SYSTEM

1. The Committee was informed at its last meeting that Listed Building Consent had been refused for permanent speakers to be attached to the Borough Gardens Bandstand. Members were also advised that consideration would be given to alternative options to improve the PA system in respect of ease of use and flexibility.
2. The main issue with the present system is that the equipment is heavy and it has to be brought out from underneath the Bandstand most weekends in the summer and on a number occasions transferred to other locations.
3. In conjunction with the Chairman of the Arts Panel various alternative systems have been investigated and it is proposed to move to a system of active speakers which are loudspeakers with built in amplifiers that are connected directly to a mixing desk.
4. The active speakers proposed are one of the lightest in this style weighing 14kg but to ensure they can be used by anyone it is proposed to purchase air powered speaker stands which will enable the speakers to be attached to the stand at low level and then lifted to the necessary height without any difficulty.
5. For smaller PA announcement type uses there will be no need to use a mixing desk, a radio mic transmitter can be plugged directly into the active speakers. Likewise the speakers also have RCA Phone inputs which allow additional connectivity to portable MP3 players, CD players etc.
6. The existing PA would be kept and made available for community use.
7. A quotation has been received for the new system, which includes speakers, stands, cabling, carry bags etc in the sum of £3,268.
8. The Council allocated £3,600 in this year's budget to fund the permanent speakers on the Bandstand, it is proposed to use this budget to purchase the new system.
