- (i) To consider the draft 2024-25 Calendar of meetings (enclosed).
- (ii) Informal Annual Town Meeting In 2022 the Council trialled holding an informal ATM as a part of the scheduled Community lunch. This worked well for community organisations attending the lunch but was not readily accessible to general members of the public. So, last year, the Council trialled holding a stand alone event with partners aimed at attracting attendance by local residents. It was held on the Friday morning the week before the formal ATM in May. That event did attract a number of members of the public and gave an opportunity to the Council's partners to showcase their good work.

The Committee is asked to consider what arrangements it would like to make for any informal ATM this year. Members are reminded that by law the formal ATM has to be held in the evening.

# DORCHESTER TOWN COUNCIL POLICY COMMITTEE – 22 JANUARY 2024

#### MEDIUM TERM FINANCIAL STRATEGY & REVENUE BUDGET 2024/25

- 1. The officer team have reviewed the Medium-Term Financial Strategy and a budget for the next financial year within the context of current year spending and the external environment.
- 2. The element of the budget relating to the **Policy Committee** is at Appendix 1. The cost of services provided by the Committee has increased by £3k, the key changes being: -
  - An increase on treasury interest from £20k to £50k due to higher interest rates.
  - A budgeted 5% pay award.
  - £15k for election costs
  - £5k for the new Town Crier initial expenses.
- The Management Committee budget was considered at a meeting on 15 January 2024 and totals £1,283k (2023/24 £1,228k), an increase of £56k. Included in the budget is: -
  - A 5% staff pay award.
  - £30k moved from the Parks & Open Spaces R&M budget to a new Great Field Maintenance budget.
  - £16k for a new member of staff for Outdoor Services, on an 18.5hpw contract.
  - The creation of a new Great Field Reserve for future works with an initial £2k contribution, to be reviewed next year.
- 4. As a result of the above, the operational **Revenue Budget for 2024/25** (summary at Appendix 2) has increased from £1,668k to £1,726k, up £58k.
- 5. The **Tax Base**, at 8,206, is up 115 (1.4%), enabling £24k to be added to the precept before any increase in the Council Tax is required.
- 6. The Council may wish to consider the following options for 2024/25:
  - A 2.0% increase in line with our MTFS the budget has been prepared on this basis.
  - A 4% increase, due to the current higher inflation levels. This would generate an additional £34k above the 2% proposed increase.
  - A 0% Council Tax increase if this approach is applied the proposed precept would reduce by £33k, reducing the repayments for the Municipal Buildings works. While this could be accommodated this year the option has the potential to result in a permanent loss of £33k a year if Members do not implement an above inflationary increase in a future year. This option is not consistent with the policy adopted for the MTFS last year.

- **7.** Whichever decision is taken regarding the setting of Council Tax the Town Council remains in a solid position financially.
- 8. The Corporate Projects reserve covered the Municipal Buildings works to the sum of £666,940.35, under this budget the reserve will be fully repaid by the 25/26 financial year:

Total Borrowed	666,940.35
Underspend 22/23	33,064.55
23/24 Contribution	260,000.00
24/25 Contribution	260,000.00
25/26 Contribution	113,875.80
	0.00

- 9. The **Medium-Term Financial Strategy** (Appendix 3) lists the assumptions taken account of in its preparation. The key assumptions are that:
  - There are no contributions to the Corporate Projects reserve in 2024/25. Prior to covering the Municipal Buildings works, the Corporate Projects reserve had a balance of £695k plus the potential for limited CIL contributions. The Corporate Projects reserve will be allocated as part of the Corporate Plan review, taking place from 2024.
- 10. The General Reserve (£100k) is held to deal with problems and opportunities that might arise. It should reflect the operational environment and the economic circumstances within which the Council operates, and the level of Earmarked Reserves held. This level was fully tested during the pandemic.
- 11. Expenditure is planned from the Earmarked Reserves (Appendix 4) for 2024/25: -

	£000
Municipal Buildings front of house works	235
Poundbury Cemetery Fence and Wall Repairs	60
Vehicles and Equipment (purchase of electric works vehicle)	70
Trees	10
19 North Square	11
Total	386

- 12. **Current Debt** will total £42k at 31 March 2025 and would be fully repaid by 31 March 2027.
- 13. It is **RECOMMENDED TO COUNCIL** that the MTFS and Revenue Budget are adopted as laid out in the appendices, to include: -
  - A Council Tax Band D charge of £210.33, an increase of £4.12 (2%)
  - A precept of £1,726,115, an increase of 3.4%

#### POLICY COMMITTEE – 22 JANUARY 2024

#### DORSET LITERARY FESTIVAL

Background information from the Organisers:-

It was great to meet you both yesterday and discuss the ways in which Dorchester Town Council can work together with the Dorchester Literary Festival in order to promote the festival, boost other local businesses and enhance awareness of Dorchester's many amenities and attributes. Just to recap on our discussion: this year we had around 5,500 attendees to our main programme of 36 events, with another 2500 joining in the free events for young people at Thomas Hardye's School, and others attending free children's events at the library. The main programme of events was held in the centre of town at the Museum and the Dorford Centre.

As a result, the benefits to the local business community were manifest: the festival was directly responsible for Waterstones selling a good number of books at the festival locations, with a further increase in sales at the shop. Many other local restaurants and cafes reported a noticable upsurge in business during the week. In addition, we always support a local charity. Over the years these have included Dorset Community Trust, Julia's House, Dorset School Readers, Macmillan Cancer Trust, and Weldmar Hospice Care and have raised many thousands for good local causes.

Although the majority of attendees come from the local area, we are also aware that many come from further afield and so we can confidently say that the festival is helping to raise the profile of the town in a wider sense. The feedback we receive is enormously encouraging, with both local residents, visitors and sponsors, all saying how much they enjoy the programme, and expressing the hope that it will continue to flourish. I have attached a few of these for your interest.

Looking ahead to next year (2024) the festival will be celebrating its 10<sup>th</sup> Anniversary and we are aiming to make it bigger and better than ever. As I explained, we rely on sponsors to help with the increasing running costs of the festival – these include the hire of venues, the technical costs, printing of brochures, website, paying speakers, providing accommodation. We would be most grateful if the Dorchester TC would consider sponsoring us in some way and I am attaching a list of the costs and benefits of various sponsorship packages for your consideration. Other sponsors include Dorchester BID, Duchy of Cornwall, Hall & Woodhouse, Humphries Kirk, Duke's, Porter Dodson, Domvs, Monart Spa, The Gardens Group and the Thomas Hardy Society.

We very much look forward to working with you to enhance the reputation of our county town.

#### **Testimonials 2023**

Everything I attended was excellent - thank you. Lesley

Polly Toynbee and Ed Stourton have been favourite journalists of mine for decades and did not disappoint, nor did Kate Adie - a very astute interviewer who brought out the best in them while slipping in her own contributions.

It would be very difficult to think of ways to improve either of the events I attended. The venue was comfortable, the refreshments were a surprise and very tempting and everything ran exactly to time. Margaret S

I attended the Festival for the first time last Friday, for 3 of the speakers ...Daniel Finkelstein, Tim Spector & Polly Toynbee. I was very impressed with all three.

I used to attend events at the Cheltenham Literary Festival , but found that gradually more & more T.V. 'celebrities' were being featured. The actual literary element seemed to me to be being watered down. So, it was refreshing to read the good spread of 'literary' content in your whole programme. Jane F

Thank you for all your work. It was a great programme this year.

I went on the Hardys walking tour which was excellent - informative and entertaining (helped by the wonderful weather).... And to Lemn Sissay - what a treat. Susie M Congratulations on such a successful festival. What a lineup of authors! Your hard work is really appreciated and we look forward to next year. You obviously have a very loyal team behind you, they deserve our thanks also. Yours, Jenny M

I attended Angus Waycott's talk on self publishing in the Museum. The talk was very informative and entertaining and the museum a lovely venue. Maggie H

Thanks so much for all you do. People have no concept of the enormous amount of work that goes on behind the scenes The Festival. really is getting noticeably better year on year. We can't wait for the 2024 10 year anniversary. Hay on Wye and Cheltenham better watch out!!! Caroline

It was a pleasure to attend Damien's talk at this year's festival and to know that plans are underway for 2024. Unfortunately we were unable to attend the Russian themed event nor Daniel Finkelstein's. However, knowing you have had a Russian/USSR and Eastern European thread over the years of, there is one author I would love to hear from as it would add additional context to that thread.

Currently Chancellor of Durham University and a Senior Fellow at the Washington based Brookings Institution, she has advised 3 US presidents and was a star witness at President trump's 1<sup>st</sup> impeachment hearings. Those clues as to her identity are probably enough but if not, her name is Fiona Hill, author of, among other things of "There's Nothing For You Here".

Her back story is as interesting as the atmospheric world she grew to inhabit and her grasp of issues likely to become more absorbing next year, would lead to enough material for a much longer slot than available. Although not one to name drop, question time may yield some interesting natter.

I am sure Fiona has an extraordinarily busy schedule and not sure whether a literary festival is within her comfort zone. I believe she may have done some media work in the US relating to "There's Nothing". Wouldn't it be a coup if you are able to secure a date for her. Hope you don't mind the interference and I'm keeping fingers crossed. Paul Sherratt

We attended about 6 events. All interesting and very well conducted. I think having someone like Kate or MIchael to keep authors on topic is a good idea and worked well. Well done.

Roy B

Just to let you know that I really enjoyed all seven of the events that I attended. It really stirred up my ageing brain. I look forward to next year's Festival. Liz G

We thoroughly enjoyed Julia Bradbury's talk, what a wonderful speaker, so inspirational. Susan A

# An excellent festival!

Thank you and the team for organising. I only managed to attend four events but they were all incredibly informative and enlightening. A real range in diversity of themes and topics too.

Brilliant that this event was on my doorstep!I will certainly be booking again next year. Maggie G

Thank you for your kind message. Michael and I loved the festival and were filled with enthusiasm by your speakers. You and Janet have added so much richness to the lives of the people of Dorset. We are looking forward to the 2024 festival. Barbara

I thought that the talk we went to, on John Le Carre, was excellent. It was well organised, sound, and video was great. The interviewer was very good and the interviewee was interesting and entertaining. Keep up the good work and thank you for putting it on this year. Joe.

The festival was clearly a great success and a very successful partnership between each speaker and all the necessary organisational work. Along with friends I look forward to 2024! John H

# POLICY COMMITTEE - 22 JANUARY 2024

# Update from Town Centre Working Group

The Committee established a Town Centre Working Group in 2023 to focus on identifying ways in which the council can support the 'high street' economy and environment.

The Working Group comprises Cllrs Fry (chair), Taylor, Chisholm, Hewitt, Hogwood and Ricardo.

Following an initial meeting of the group, a round table discussion was arranged in January 2024 with representatives from the local business community (particularly retail) to explore how the council can contribute to the following key objectives:

- reducing the number of vacant properties in the town centre;
- improving the town centre experience and public realm for both residents and visitors;
- developing proposals for events and initiatives to attract visitors to the town centre;
- helping promote the town centre in order to attract investment.

The meeting included representatives from the Dorchester BID (Neil Strudwick), the Dorchester Chamber of Commerce (Steve Bulley), Brewery Square (Tara Bailey) and the independent trader Martin Green.

The discussion considered a range of issues, particularly the challenge of securing improvements to properties given the cost of rents and business rates, and the fact that many property owners are not local. In addition, some key properties are in need of significant physical improvements and their current condition detracts from the appeal of the town centre. However, there will be opportunities resulting from the footfall generated by the new Premier Inn hotel and the NHS Outpatient Assessment Centre (South Walks House).

In general, the meeting concluded that Dorchester has a very positive 'story' to tell with regard to the high street and more effort could be made to attract inward investment. A key role for the town council, working in partnership with the BID and Chamber, could be to develop a promotional campaign to attract inward investment and encourage more retailers to appreciate the benefits and opportunities from opening stores in Dorchester. This idea will be developed further and a report, with a request for resources, will be presented to a future meeting of Policy Committee.

#### CORPORATE PLAN UPDATE

1. The Committee last reviewed its high level 2019 – 2024 Corporate Plan at its July 2023 meeting.

2. The attached Plan has been amended to take account of changes and updates since the last review and gives the latest information regarding projects and aspirations.

3. Some highlights and lowlights below:-

- The new Directory of Community Priorities 2023 2028 has been completed and approved by the Council.
- The Borough Gardens House Community Room will be brought back into use later this year now that the works to extend the Gardeners Facilities Building is underway.
- Further actions under the Council's Climate Emergency Plan are underway with the installation of Air Source Heat Pumps and Solar at the Borough Gardens House and Greenhouses and the same again at North Square later in the year.
- Improved use of Social Media A new Communications Policy, covering social media, has now been adopted and the Council's social media activity is improving with two posts at the end of last year having reaches in excess of 46,000 and 55,000.
- Disappointingly the Council and the CLT's joint approach for the land being disposed of by Dorset Council at Garfield Avenue not accepted.
- 4. The Committee is invited to review the Plan and make any comments or changes that it wishes to make.
